

Assembly instructions Drafting Chair

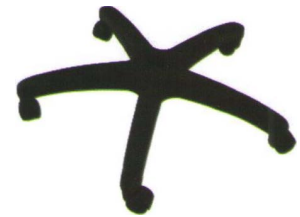

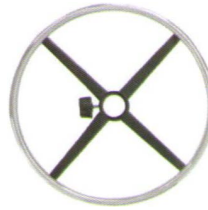

Back with bellow

Seat with mechanism

Gas lift & footring

Base with castors

Assembly instructions

- Step 1** Firmly insert gaslift into 5 star base from above.
- Step 2** Insert the footring from the top of the gaslift.
- Step 3** Place seat onto gaslift, aligning gaslift with round hole in bottom of seat mechanism. Apply downward pressure on seat to secure gaslift into mechanism.
- Step 4** Insert back bar at bottom edge through mechanism.
- Step 5** Please enjoy your new ergonomic chair.
